### Rule Summary

TEES departments shall involve qualified Historically Underutilized Businesses (HUBs) as required by law in the agency's contracting for construction and professional service; and the purchase, lease, or rental of supplies, materials, service, and equipment.

Texas Government Code Title 10, Subtitle D, Chapter 2161 applies to state agency construction project and purchases of goods and services that are paid for with appropriated money and made under the authority of this subtitle or other law. It is necessary to ensure compliance with state requirements and System Policy 25.06 and System Regulation 25.06.01, related to the Historically Underutilized Businesses (HUBs) program. All TEES employees that have purchasing authority shall assent to the following HUB Program rule.

### Procedures and Responsibilities

#### 1. GENERAL

- 1.1 In executing the involvement of Historically Underutilized Businesses (HUBs) in procurement opportunities, all employees of Texas A&M Engineering Experiment Station that have purchasing authority, shall encourage the use of HUB businesses in their procurement opportunities, regardless of the source funds.

#### 2. PARTICIPATION BY HUBs

- 2.1 It is the practice of Texas A&M Engineering Experiment Station to involve qualified HUBs in procurement contracts and transactions as required by System Policy 25.06, System Regulation 25.06.01 and state statutes and administrative regulations. The agency and its employees will not

discriminate on the basis of race, color, sex, religion, national origin, age, disability, genetic information, veteran status, sexual orientation, gender identity, or political belief, or affiliation in the awarding of contracts. Every employee responsible for conducting business with outside vendors has the responsibility of making a good faith effort of ensuring that HUBs are afforded an equal opportunity to compete for all procurement and contracting activities for the agency.

- 2.2 TEES promotes and encourages HUB subcontracting in all purchases and contracting opportunities, regardless of funding.
- 2.3 The Deputy Director will designate an employee as HUB Coordinator who will have responsibility for implementing all programs dealing with HUB activities. This individual will report directly to the Chief Financial Officer and Controller and will make available the required monthly reports, the State of Texas Semi-Annual and Annual HUB Report, budget management, and any other required obligations.

### 3. MARKETING AND OUTREACH PROGRAMS

- 3.1 Bid opportunities will be made available through the Procurement Department's and Electronic State Business Daily websites. These sites will provide information on current and past bid opportunities and awards, and will serve as the Historically Underutilized Business Program information source with the rules, information on HUB vendors, and HUB Subcontracting Plan.
- 3.2 TEES will participate, plan, and assist in economic opportunity forums and fairs within the Central Texas Region included, but not limited to, those sponsored by legislators, the Comptroller of Public Accounts Statewide Procurement Division, other A&M System members, other state agencies and institutions, and private business entities deemed beneficial to the TEES HUB Program.
- 3.3 Opportunities will be made available for HUB vendors to present and/or deliver their business capabilities to the TEES Procurement Department and agency community, whenever possible.
- 3.4 The agency shall participate in the State of Texas HUB Mentor-Protégé Program and shall implement a Mentor-Protégé Program. This program is in accordance with the Texas Government Code Section 2161.065.
- 3.5 Texas A&M Engineering Experiment Station shall seek potential HUB vendors and assist in the certification process.
